Week 2: Roadmap

Add WeChat powcoder
(12/2022)

Roadmap

Before the class:

- Set up an account with SAS Viya for Learners
 - Go to SAS Viya for Learners webpage (the link is available on Moodle), select “Access for Students”, and then follow the prompts on the webpage to create a profile using your UNSW email address.
- Read Chapter 2, 3, and 4 of the Good Charts HBP textbook (the link to the textbook is available on Moodle).

During the tutorial:

- Hands-on exercises with SAS VA

During the week:

- Go through *SAS VA Workbook 1* and attempt all exercises & practices before attending the tutorial. Solutions to exercises and practices in *SAS VA Workbook 1* will be provided in Moodle in week 2.
- Supplementary reading - Good Charts: Visualizations That Really Work
