Roadmap

Before the class:

- Read the article "How algorithms rule our working lives" and complete tutorial activity 1 "Algorithms and AI"

- Read the article "Strategic opportunities (and challenges) of algorithmic decision-making: A call for action on the long-term societal effects of 'datification'"

During the tutorial:

- The Week 9 workshop will be focusing on examining the substantial societal issues that are emerging given the prevalence of data analytics. The activities include:

  - ➢ Activity 1: Algorithms and AI

  - ➢ Activity 2: Data Privacy and Data Ethics

  - ➢ Activity 3: Algorithm and Ethics

During the week:

- Supplementary reading - How to Combat the Darkside of AI

- Supplementary video - We're Building a Dystopia Just to Make People Click on Ads
